Dear Parents,

As part of the PSHE curriculum, Year 5 will be completing Drugs and Alcohol education starting on Wednesday 29th April and lasting until the end of the week. These lessons will aim to develop the pupils' understanding and attitudes towards legal and illegal drugs and will encourage and educate the children on how to lead a healthy lifestyle.

In Year 5, we will be focusing on understanding the effects of illegal drug use alongside the dangers and risks associated with it. We will also cover strategies to deal with peer pressure and pupils will develop an understanding of the laws regarding illegal drug use.

If there are any questions regarding the above please feel free to speak to a Year 5 member of staff.

Many Thanks,

Year 5 Team
