

Dear Parents,

We are holding our annual Y6 Careers Week during the week of the Monday 15th June and we need your help! If you, or anyone you know, would be able to join us and share your job role during this week, please let us know on the slip below. We would really like as many people, in as many different roles as possible to enable our children to learn about the variety of aspirational jobs that are available to them!

As you are aware, there are 90 children in the year group and your session can be organised in any way that is convenient to you e.g. you could present to the whole group together or run smaller workshops with the individual classes (30 children in each or two sets of 45). It would be great if you could make the session as interactive as possible so the children can participate and feel involved. Previous guests have put together a short presentation (10-15 minutes) that has some interactive aspects to it. It would then be useful if you could give the children a small task that they could carry out that is linked to your job/company i.e. poster/slogan/letter to someone etc

The sessions within school are as follows although we can move playtimes around to be as accommodating as possible:

- 9.05-10.05
- 10.30 - 12
- 1.30-2.30

Please complete the slip and send it into school no later than Friday 15th May and will contact you before the half term holiday.

Thank you in advance,

Mrs Snowden, Mrs Harrison and Mrs Butler.
