WELL
BEING

Welcome to our Easter newsletter.

This term we have been very sad to lose Keith to another club, but we are delighted for him and I am sure he will rise to the challenge of his new position and continue the excellent work that we do here at SC Kids.

As you will see from our photographs we have been very busy this term with lots of exciting and challenging activities, from baking fortune cookies, learning about different forms of modern art and countries, as well as venturing into the fashion world with our designs for t-shirts.

We have also enjoyed our very own 'SC Kids got talent' with Mr Mander kindly providing sound and vision systems and I believe recording our own compilation CD more to follow.....

Unfortunately bookings for the Easter holiday club are very low and will only allow us to open on the 8th and 9th April. However we are very excited to be going to the cinema and 'out to lunch'. Spaces are still available for these two days and the inset day on 7th May. We cannot open without your support, so if you want the club to open in half term, please pick up a booking form (available from the beginning of next term) available from reception and in club or download from the school website.

Finally on behalf of all SC Kids Staff may I wish you all 'Happy Easter', have a good holiday. Kind regards

Lyn Hoban

18 th May – 22 nd May	Outdoor fun	

THE 7 PRINCIPLES OF PLAYWORK

The provision extends the choice and control that children have over their play, the freedom they enjoy and the satisfaction they gain from it.

The provision maximises the range of play opportunities.

The provision fosters independence and self-esteem.

The provision manages the balance between the need to offer risk and the need to keep children safe from harm.

The provision fosters children's respect for others and offers opportunities for social interaction.

The provision recognises the child's need to test boundaries and responds positively to that need.

The provision fosters the child's well-being, healthy growth and development, knowledge and understanding, creativity and capacity to learn.

Important Safeguarding reminders

- Please take extra care when using the car park in the morning or after 5pm.
- Please remember to sign your children in and out.
- Parents and children are not allowed in school or back to their class after 3.30 unless accompanied by a member of staff. This is not always possible when sessions are busy
