Head Teacher: Miss S Wilkes B.Ed (Hons)

15th September 2015

Dear Parents

Go to School in Jeans and Change Lives!

Friday 18th September is Jeans for Genes Day where across the country children and staff are encouraged to come to school wearing jeans in order to raise awareness of genetic disorders. We would like to support this as a school and therefore children are allowed to wear jeans instead of their school trousers or skirt. Children do not need to bring a donation into school for this event and are expected to wear school sweatshirt, polo shirt and school shoes.

Yours Sincerely

Jane Ferguson

Deputy Headteacher
