Dear Parents,

What a super week we have had in school! Year 5 pupils were superb in their production of 'Sister Act' at Langley's Dovehouse Theatre. Staff and Parents alike were wowed by the professional standard of the performance, which was achieved in only three days! The production was full of humour, finger-clicking songs and toe-tapping dances. A huge 'well-done' to all of the pupils involved - we are immensely proud of your achievement! This production was only achieved through the hard work of the staff at Sharmans and Langley who worked tirelessly during the three days. My sincere thanks go to everyone involved and also to all of the parents and friends who were able to attend to support Year 5.

This is what Liliana and Lois had to say:

'What a fantastic time we had performing Sister Act at Langley's Dovehouse theatre! All of Year 5 worked together as a team to put on a professional performance to make our parents proud.

Fabulous singing, superb acting, we definitely pulled it out of the bag in only three days!

Austin's dancing, dressed up as a priest, made all of us laugh.

We can't believe every one of us remembered all of our lines!

Lucy- what a fabulous, comedy actress!

Rachel rocked the roll of Deloris, the make-up was amazing. Malayka, one word...SNORT! She had everyone in tears of laughter! It was proven that it was phenomenal because at the end we had a standing ovation from everyone in the audience, which was overwhelming! After we had finished, everybody was saddened it was over. The costumes were brilliant; they were from the 70's era! The nuns looked especially holy!

On the night of the shows, the whole of Year 5 were nervous but that just made us stronger in our roles. The Langley Staff really helped us perfect all of the dances. They may have been perfectionists and pushed us really hard, but it was all worth it in the end. We got everybody to laugh with the old jokes, funny acting and silly dances! All of us had buckets of fun during every single minute while we were there.'
