SC_KIDS Newsletter May 2015

THE
FIVE
OUTCOMES
FOR
CHILDREN

Welcome to the May Newsletter.

We have been very busy again this term as you will see from all our lovely photographs.

I am very pleased to announce that Vicki Williams is taking over from Keith in the role as Team Leader; congratulations Vicki.

Vicki will keep the same group of children in her Keyworker group, and whilst we are looking for a new permanent play worker staff will ensure the continuity of care for those children in Keith's group.

We also have been lucky enough to hire a temporary qualified member of staff - Harpreet Kaur who is proving very popular with the children.

If you know of anyone with experience of working with children who may be interested in working with us please ask them to contact me on 705 2379.

We hope you all enjoy your break, and look forward to seeing you on your return to club.

Best wishes

Lyn Hoban
Manager

THE 7 PRINCIPLES OF PLAYWORK

The provision extends the choice and control that children have over their play, the freedom they enjoy and the satisfaction they gain from it.

The provision maximises the range of play opportunities.

The provision fosters independence and self-esteem.

The provision manages the balance between the need to offer risk and the need to keep children safe from harm.

The provision fosters children's respect for others and offers opportunities for social interaction.

The provision recognises the child's need to test boundaries and responds positively to that need.

The provision fosters the child's well-being, healthy growth and development, knowledge and understanding, creativity and capacity to learn.
