

July 2015

The PTA wish to extend a huge thank you to all those who supported the Summer Fair in whatever way on Friday 3/7. Without help setting up, baking, ticketing up tombola, counting raffle tickets, creating craft items, manning stalls (the list goes on) we simply cannot run these events.

If you helped out in any way, whether big or small you may be able to help us further through the Matched Donations scheme that many employers run for volunteering and fundraising, we can provide a suitable letter where required.

We took a staggering £3,275 on the day!

The weather was kind to us, we have had lots of positive feedback and everyone seemed to be having a great time with the atmosphere one of excitement. We have had some good suggestions for changes and improvements for future Fairs, please keep these coming either verbally, to sharmanscrosspta@hotmail.co.uk or on our FB page.

The fundraising from the Summer Fair and previous PTA events over the last couple of years mean that we are now able to provide the school with funds to install six additional interactive whiteboards in the classrooms that do not have them currently, meaning almost all classrooms at Sharmans Cross will have this capability. The installation will take place over the summer holiday period and so will be ready for the new academic year in September.

Look out for the PTA AGM date TBC for September where we hope to welcome new committee members and will be electing the charity trustee roles for Chairman, Secretary and Treasurer for 2015/16 as we do every year.

Thank you once again.
