

Understanding Your Child's Behaviour

A Solihull Approach Group for Parents and Carers

- **Would you like to know more about your child's development?**
- **Would you like a better understanding of your child's behaviour?**
- **Do you know why your child has temper tantrums?**
- **Would you like the chance to meet with other parents with children of a similar age?**

We will be running a group for parents and carers, with children aged from 0-11 years at Blossomfield Infant School.

The group is based on an approach developed in Solihull that has been helpful to parents and has shown that children's behaviour tends to improve.

We will explore issues such as:

Having fun together
Communication
Temper tantrums

Development needs
Parenting Styles
Sleep

The group starts on **21st January 2014** and will run weekly for 10 weeks on a **Tuesday morning between 9.15am and 11.15am.**

The group is completely free of charge and places will be filled on a first come, first served basis. Tea and biscuits provided!!
