

Monday 24th March

Year 3 Maths Groups

Dear Parents,

In light of our Pupil Progress meetings and in order for us to even better meet the needs of all of our pupils, Year 3 will be undergoing a change to the way they are grouped for Maths. Your child could have a different Maths teacher and they may also be with a different group of children.

If you have any questions, please do not hesitate to ask at Parents Evening on Thursday.

Kind regards

Zoe Jefferies
(Maths Subject Leader)
