Dear Parents,

After the success of our Family Workshops last year, we are delighted to announce the dates for our Year 3 workshops.

The main purpose of the workshops are for you to **work with your child** on a project that will then form the **basis of their homework over the next half term**. Each child should have an adult with them and if you are unable to attend, we require you to make arrangements for another family member or another parent to be the designated adult. Children without an adult will still carry out the workshop but with a Teaching Assistant in their classroom.

The session will run from 9.30 - 11.00 on the dates below and we would like as many of you there as possible! The sessions will be held in Maths groups, so please make sure you go to your child's Maths teacher.

3ZJ Maths Group	Wednesday 12 <sup>th</sup> November
3LS Maths Group	Thursday 13 <sup>th</sup> November
3EP Maths Group	Friday 14 <sup>th</sup> November

Please complete the slip below and return it to your class teacher by Monday 10th November.

Kind regards,

The Year 3 team.
