Dear Parents,

As part of the PSHE curriculum, Year 4 will be completing Drugs and Alcohol education starting on Wednesday 22nd April and lasting until the end of the week. These lessons will aim to develop the pupils' understanding and attitudes towards various prescription and non-prescription drugs and will encourage and educate the children how to lead a healthy lifestyle.

In Year 4, we will be focusing on understanding the effects of alcohol alongside the dangers and risks associated with it. We will also cover dealing with peer pressure and pupils will develop understanding of the laws regarding alcohol consumption.

If there are any questions regarding the above please feel free to speak to a Year 4 member of staff.

Many Thanks,

Year 4 Team
