

4 October 2013

Dear Parents,

We have received a request from a few parents regarding spreading the cost of upcoming residential trips across the year. This seems a sensible idea and one that is made easier via the ParentPay system.

Therefore, I have asked the administration team to put up payment facilities for Red Ridge and York onto the ParentPay website. These postings will allow any parents that wish to spread the cost of these trips over the year to make variable payments of their choice up to the total amount, which we have not yet finalised. The cost of these trips last year was £222 for York and £274.50 for Red Ridge.

Any parent wishing to use this facility can also check the balance of their payments by logging into their account and selecting the appropriate trip. Anyone wishing to make these payments at a local PayPoint branch via a barcode should request one from the school office.

Regards,

Mark Pratt
