Friday 18th October

Dear Parents,

After the success of our Year 5 Family Workshop last year, we are delighted to announce the dates for our Year 6 workshop. The session will run from 9.30 - 11.00 on the specified day for your class and we would like as many of you there as possible!

- 6KW Tuesday 5th November
- 6GC Wednesday 6th November
- 6LT Thursday 7th November

The main purpose of the workshops is for you to **work with you child** on a project that will then form the **basis of their homework over the next 3 weeks of the term**. Each child should have an adult with them and if you are unable to attend, we require you to **make arrangements for another family member or another parent** to be the designated adult. Children without an adult will still carry out the workshop but with a Teaching Assistant in their classroom.

The Year 5 workshop proved very valuable for both children and parents with 100% of the children and adults saying that they thought parents would be able to help their child more at home with their targets and homework. Some comments included:

- 'I absolutely loved seeing my parent and finding information with them. I wish we could do it again.'*
- 'I liked having a longer conversation than normal - I want to do more working together.'*
- 'You could work things out as a family and have each others support.'*
- 'Sharing ideas and hearing my child's thoughts.'*
- 'Working together in a more structured environment rather than being at home.'*

Please return the slip below by Monday 4th November.

Kind regards,

Mrs Snowden
