

Dear Parents/Guardians,

On Wednesday 21st May, Year 6 will have the opportunity to participate in a Young First Aiders course run in school by St John's Ambulance. As well as equipping children with the knowledge that could mean the difference between life and death, learning first aid helps to improve self esteem as well as teamwork and communication skills.

In order to pay for this training by qualified instructors, we ask for a contribution of **£5.83 per child**. As always, although this is a voluntary contribution, we may have to cancel the course if we do not receive enough funds.

Please pay online and return the reply slip below by Friday 16th May. Please ask the school office if you require a barcode.

Please note: Apologies for any delay you have experienced in receiving your theatre trip refund. Unfortunately, this is a very time consuming process as it must be done individually for each parent and in two separate steps for the deposit and the final balance. The money will be refunded via the same method though which you made the payment.

Many thanks

Year 6 team
