

12th September 2014

Dear Parents,

Year 3 Community Project Autumn Term 2014

Your child is now involved in Year 3's Community Project sessions on Monday afternoons. This is a cross curricular project which links well with the Geography topic 'Our Local Area'.

It is with this in mind that we have arranged for Create-Build-Learn to come in and work with each class. The session will be an opportunity for the children to apply their cross curricular skills to new challenges, working in their small groups, and as a member of the larger class team. With Create-Build-Learn's help, we aim to build an amazing imaginary community which would meet the needs and wants of all people living, learning, working and playing there - thereby consolidating and extending what the children have already covered in their initial sessions.

Parents are invited to pop into see the fruits of the class' labour at 3.15pm, where it is hoped the children will be able to explain the decisions they made regarding their community plan and share with you their enthusiasm for this project.

In order for this enrichment activity to take place, we need to ask for a voluntary contribution of £5 per child. Please note that this is a voluntary contribution, however the activity might have to be cancelled if insufficient funds are received. **Please return the slip below to your child's class teacher by Friday 19th September.**

In order to resource this project the Year 3 classes will be completing their workshop on the following dates:

3ZJ- Tuesday 30th September

3EP - Monday 3rd November

3LS - Monday 1st December

Thanking you in advance for your support.

Yours sincerely,

Year 3 Team and Mrs Afzal
