

## Reading Questions- AF7

### Relate texts to their social, cultural and historical contexts and literary traditions

- Where do you think this text is set? What makes you think that? What difference does it make to how we read the text?
- Have you read any other texts by...? Have you noticed anything in common such as themes or language?
- Does the background of the author influence his/her writing?
- Where do you think this text is set? What makes you think that? What difference does it make to how we read the text?
- Have you read any other texts by...? Have you noticed anything in common such as themes or language?
- Does the background of the author influence his/her writing?
- What other stories / texts does it remind you of?
- Have you ever been in the same situation?
- What makes this the same as / different to title?
- How is author's version of the same story different to / same as this author?
- How is the film and/or book or poem the same / different?
- Do you agree with the author's view?
