

# S C Kids holiday club survey

## And

### Easter booking form

In order to plan our programme of activities for this Easter we need to know how many children will be attending each day.

I am therefore writing to all parents not only to obtain this information, but also to ask you to complete the questionnaire which follows, so that we can ensure we are meeting your needs.

We will be picking one completed survey from those received and offering that parent a free activity session of their choice.

Many thanks
